

## Logging in to WrapStat

Open your internet browser and type in the web address <http://www.wrapstat.org/> and hit enter. Bookmark the website so that you can easily reach it again later.

The screenshot shows a web browser window with the address bar displaying "wrapstat.org". The page has a purple header with the "WrapStat" logo and a "Log In" link. The main content area features a "Welcome to WrapStat!" heading, a description of the system, a bulleted list of features, and contact information. On the right side, there is a login form with fields for "Username:" and "Password:", a "Remember Me" checkbox, a blue "Login" button, and a "Forgot your password?" link.

**Welcome to WrapStat!**

WrapStat is an implementation support system designed to help Wraparound personnel:

- Conduct high-quality evaluations of Wraparound fidelity
- Track program performance
- Assess youth outcomes
- Collect implementation data
